

Recycling unsealed roads to reduce dust & maintenance using insitu stabilisation

Site directions for Back Mimosa Road, Temora (NSW)

The following site directions are for those travelling from the town of Temora. The site is approximately 4 kms south of Temora and it takes about 10 to 15 minutes to drive to the site. This trial is within the Shire of Temora, South West NSW.

After passing the roundabout at the intersection of Hoskins and Victoria Streets, head south on Hoskins Street (becomes Junee Road) for 2.2km and turn right into Back Mimosa Road. Drive 2.0 kms west on the unsealed road to the start of trial site. The stabilisation works commences after the concrete causeway. The GPS coordinates of the start of the trial are 34.46299, 147.50713 (WGS84).
